**NOTE: The Last Saturday of April till Last Saturday of October is the Dane County Farmer's Market. We have a UNA Table there when we can staff it -- usually June, July and August. Should we try for every Saturday for the whole six months? Or add just May and September? The Farmer's Market runs from 6 am to 2 pm. We've usually just had two, 2-hour shifts i.e. 8-10 and 10-12 and skipped the early and late hours. Should we try to add another shift?**
